- With your signature, you give The Tumble in the Bus, LLC and its employees permission to photograph or videotape your child during class hours for promotional purposes.

About the Program

Tumble in the Bus is a specialized gymnastics program developed for beginning gymnasts. Our goal is to bring fitness to your children for proper physical and motor development.

Tumble in the Bus is brought to your child's school on wheels. We do not transport children. A full-size school bus has been refurbished into a safe and fun gymnasium in which the children have their classes. Our program offers every area of gymnastics in mini form. On each bus we have bars, beam, vault, trampoline, ropes, rings, climbing apparatus, and more.

With today's busy lifestyle, we have found that parents are not always able to find the time to do all that they want for their children. By bringing Tumble in the Bus to your school, we give each child the opportunity to participate in an excellent fitness program which doesn't infringe on the family's valuable private evening hours.

To Participate

Please read the Tumble in the Bus policies before enrolling your child. Complete the enrollment form. Enclose tuition with form. Leave form and tuition in the box before your child is to attend their first class.
